As of July 14, 2017

the
Willows

Welcome

Thank you for expressing interest in becoming a member of the Willows Golf & Country Club.

2017 is a particularly exciting time to become a member at the Willows as we announced several exciting new initiatives for the upcoming season. We will be transitioning our golf operations from 36-holes to 27-holes to allow our maintenance team to concentrate on delivering an even better quality golf experience. Additionally, we are undertaking a significant capital plan that identified nearly \$1 million of potential improvement and investment opportunities to further improve our facilities.

In this brochure you will find more information about our membership options, benefits, and amenity access. If you have any questions about membership, the facility, or are interested in a tour of the Willows, please feel free to contact our PGA of Canada professional staff.

Sincerely,

Wayne Fairbairn
Head Professional
